Fire Stoppers of Washington State Management Team

Vision: Prevent property loss and loss of lives from fires set by youth and children.

Mission: Provide effective¹ fire setting intervention services to youth, children and their families.

Goals:

1. **Develop a state level Management Team.**

Objective: Unite public and private organizations to expand statewide, regional and local community efforts through economic assistance and strengthening public policy initiatives.

2. **Develop Annual Strategic Plan**

Objectives: Develop an annual campaign that includes:

- **Data-Collection**

Compile all data and prepare an annual report and media release of the findings in the first quarter of each year.

- **Coalition Services**

- Training
- Professional Handbooks
- lithium powered smoke alarms
- Intervention workbooks

- **Media/Communications**

- Develop a media campaign the first week of each May (Arson Prevention Week) that speaks to the problem of fire setting by children and youth.
- Website--Prepare and keep current a JFIS website to provide resources to the media and local coalitions that includes policy development.

- **Budget/Funding**

3. **IFSAC Accreditation**

Objective: Through the Washington Public Fire Educators, develop and maintain a curriculum, and testing process to apply for IFSAC accreditation of Juvenile Firesetter Interventionist.

¹ *Effective – Definition: Proven effective through evaluation. See “Achieving Outcomes: A Practitioner’s Guide to Effective Prevention” 2002 Conference Edition*
